

## STAFF CHANGES

After four years as our church secretary/administrative assistant, Becky Rogers has announced that she will be leaving effective Monday January 11, 2016 to accept a position as a legal assistant with a law firm in Scott County. This will be a full time position for her with benefits. Becky thinks that this is one of those God moments. The offer sort of came out of the blue and she will be doing the kind of job that she did for ten years prior to coming to Trinity UMC.

When I offered her the chance to have a meal in her honor, she declined indicating that those kind of events were not necessary. So, we say good-bye to Becky on short notice and we wish her well in her new endeavor and thank her for her service to the church over these past few years. For those that wish to say good-bye, she'll still be in town, but will be working longer hours down in Gate City. So, it might be harder to catch her, especially during weekdays.

In the meantime, we are evaluating the requirements of the position which she has vacated and the Staff Pastor Parish Relations Committee will be meeting to discuss and design a job description for this position. At that point we will publicize and seek applicants for the position.

Please be in prayer for Becky as she makes this transition to her new position. Also, be in prayer for the SPPRC as we seek to find the right person with the necessary qualifications to provide this essential ministry for our church. In the meantime, the pastor will be picking up some of the load but volunteers could be used to do some simple tasks. Please contact him if you are available.
