

Please Install Church App on Your Phone or Tablet

If you have a smart phone or tablet (android or Apple) , then you can have information about the church at your fingertips. You can look at worship services. You can see the bulletin. You can read This Week at Trinity. You can leave prayer requests. When the pastor puts them up, you can use sermon notes that go along with his message. You can look for events on the church calendar. These are just a few of the things that you can do. All of this is **FREE** to you. You just need to install an app on your device.

Here is how you can get this information on your device:

1. On your device (phone or tablet) go to the Google Play Store or the Apple Store.
2. Search for My Church Apps. (Pay attention there are some with similar names.)
3. Install the app on your device.
4. Open or run the app.
5. Search for Trinity United Methodist Church and choose the church. This will become the default app on your device.
6. Look at the various features on the app.
7. The next time you open the My Church App it will take you directly to the Trinity UMC app. You do need to close out the app so that you can be sure that you get a fresh version of the information the next time you run it.
