Rev. Jeff Wright, Preacher

A graphic featuring a church building with a red steeple and a yellow sign that reads "CHURCH HOMECOMING THIS WEEKEND". The church has a red roof, a white facade, and a blue door. There are green bushes and a tree in front of it. The sign is yellow with a black cross and the text "CHURCH HOMECOMING THIS WEEKEND".

Church Homecoming

What We Need You to Do:

- Tell all your church friends about it that might not attend regularly or that might now live away from Big Stone Gap.
- Plan to bring several dishes to the POTLUCK meal. The church will not be supplying any items this year, so make sure to bring at least one meat type dish and somebody will need to bring rolls/ bread.
- The United Methodist Women are in charge of getting the meal ready, so make sure you talk with one of them if you want to help. Hopefully, we can get everything set up so that the ladies can come out and here Jeff's sermon.
- Dress for the day will be casual. No one wants to drop a chicken leg on the best suit or dress!!!
- Pray for this event. Specifically ask God to bring some of our less active members back home for this event.
