

Trinity United Methodist Church

Sunday October 11th, 2020

Prelude

David Barker

Lighting of the Candles

Let the Light of Jesus' mercy **shine in our judgement.**

Let the Light of God's Grace **shine in our divisions.**

Let the Light of the Holy Spirit **shine in our hearts, souls, and minds.**

Let the Light of Love **deliver us until at last we are healed.**

Welcome

Bill Cole

God, we welcome you **to be with us.**

Father, we welcome your **salvation in our souls.**

Lord Jesus, we welcome your **merciful peace in our hearts.**

Holy Spirit, we welcome your **power in our minds.**

Lead us now to see the suffering people in our world **as you see and welcome us.**

Announcement

Robert and Andrea are on her Fall Break and will be back Saturday October 17th.

Kim Parson will share her witness at the 11 am service this Sunday.

The Monday evening Study and Tuesday Divine Reading Groups meet at their usual times and places.

Special Music

David Barker

Prayer of Confession

Bill Cole

Lord, we confess that **our fear is the enemy of Jesus' mercy.**

We confess that our sin is the enemy of Your grace.

We confess that human suffering is our souls crying for Your Love.

Prayer of Thanksgiving

Father, thank you for **loving this world of suffering.**

Thank you for **giving Jesus to our world of suffering.**

Thanks you for **receiving our sin through Jesus' suffering.**

Thank you for **mercy.**

Thank you for **grace.**

Thank you for **faith that teaches us to receive and give to a world conditioned to take. Amen**

Special Music

Calli Shell

The Word of God

The Message:

Kim Parsons

Tithes and Offerings

Your tithes support the Church Building and staff salaries. Your offerings support the mission ministries of the congregation. Your prayers undergird the life of the Church in our world of suffering. Your witness offers hope through faith in Christ who offers mercy in suffering, grace in death, and life through unconditional love.

Offertory

Duet: Calli Shell and David Barker

Benediction

Postlude
