## Special Worship This Month-World Communion Sunday

This month, we have the chance to celebrate World Communion Sunday. This is normally the first Sunday in October. However, I am shifting it to the second Sunday in October so that I can finish out my sermon series on October 5th. On World Communion Sunday, I will once again give a short message and then open the floor to questions that deal with the topic of communion. This has proven to be a very interesting service and over the years I have fielded quite a few questions. So be thinking of appropriate questions about Communion and join us for worship on October 12th.

## Trunk or Treat

### United Methodist Youth Invite You to Join them for Trunk or Treat

On Halloween, you are invited to join the UMYF as they host a Trunk or Treat event in the church parking lot. For those not familiar with one of these events, let me explain. You will pull your car into a slot in the parking lot with the trunk facing the center of the lot. You will pop open the trunk and decorate it with a Halloween theme. You will then

stand by your car and pass out candy as the kids from the neighborhood pass by to get their treats. I know that many of you pass out candy at your home, but for those that might be off the beaten path and that want to experience Halloween trick or treaters, this is a good time to come and join others in passing out treats. We also will pass out information about the church and its ministries and we might even have other treats in store.

### United Methodist Youth Meets Every Sunday Night and All Youth Grades 6-12 are Invited

Things have started off well with our UMYF under the leadership of Christie Smith. We meet each Sunday night at 5:00 pm for a snack meal. Around 5:30 p.m., the actual meeting begins. Each meeting sort of has a different feel since we are trying to do a variety of things rather than the same format from week to week. Currently, we are talking a lot about Resurrection 2015 in Gatlinburg. We will be attending on January 16-18th. In preparation, we will engage in a few different fund raising events to help pay for the costs to attend this annual youth event. If you know of a youth in your neighborhood or have a child in your family, then please tell them about UMYF and invite or bring them to a meeting on Sunday night.

Welcome, Youth!
